

2022 Gala Sponsorship Opportunities:

The Springfield Symphony's Gala event, "Symphony Night Fever" will be held on Saturday, **February 19, 2022** at the Oasis Hotel & Convention Center. An evening of cocktails, dinner, and live and silent auctions will benefit the Symphony's artistic, education, and community engagement programs.

Your support of the Springfield Symphony Gala matters—your generosity will ensure enhancement, continuity and sustainability of artistic excellence, innovative programming, and inspirational outreach through music. For 87 years, the Symphony has been a cultural cornerstone in Southwest Missouri, bringing a sense of community and unity. The Symphony has entertained and educated thousands of music enthusiasts and children, positively impacting their lives and the life of our community. We hope this inspires YOU to help us continue to make a difference and open the door to new possibilities, now and into the future by securing your sponsorship.
